

Here is a training checklist for adult leaders to complete. Most can be completed online but some require a training session. The online courses can be found at: <http://www.olc.scouting.org/> you will need to create an account with your email address and registration number from your BSA membership card. When completed please let the scoutmaster or one of his assistance know so it can be recorded in TroopMaster.

Required:

[Driver Information Form – Troop Form](#)

[Physical on file with Troop](#)
