

TroopMaster Web

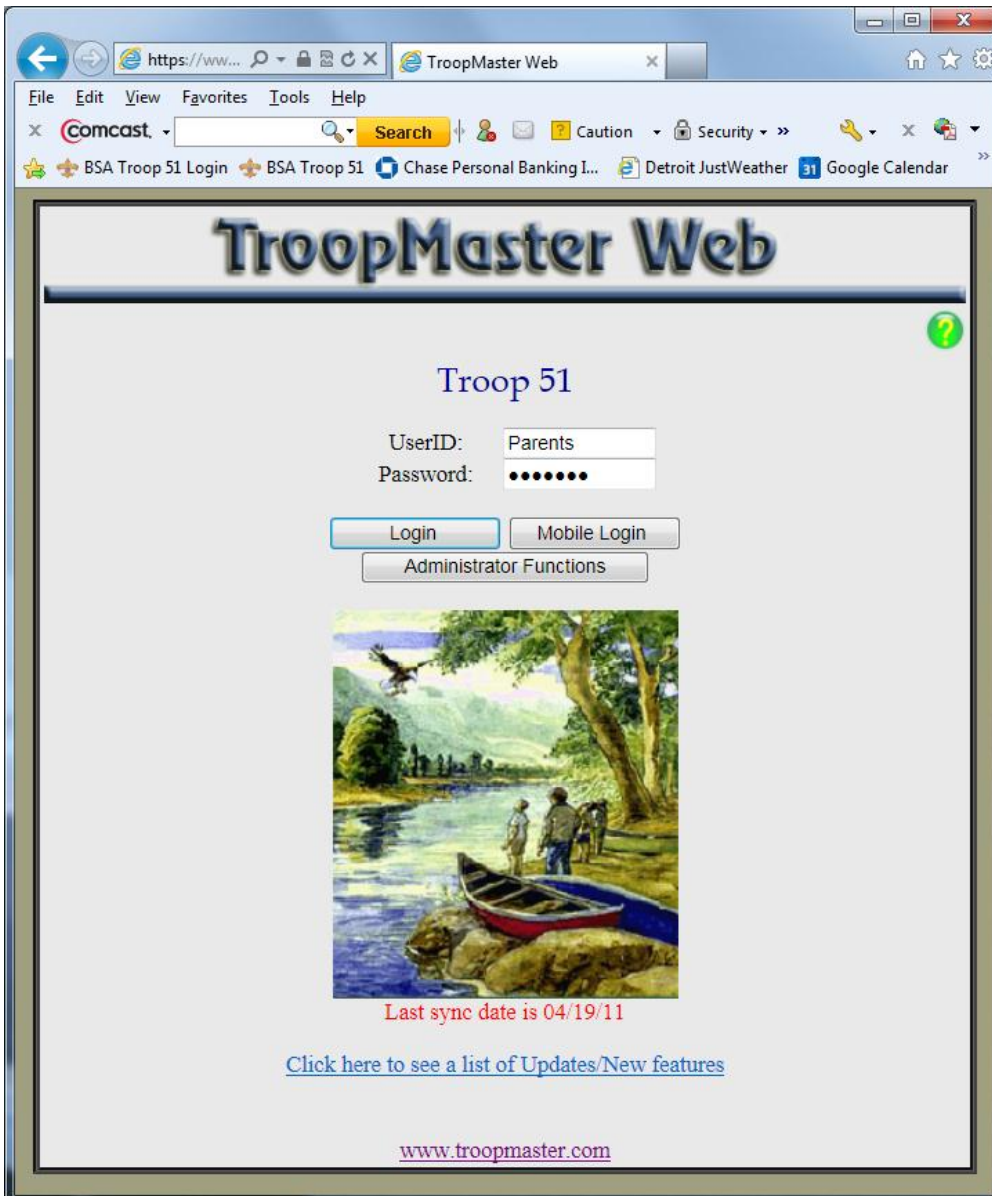

Have you ever wondered what your Scout needs to advance or if his advancement and personal information are up to date? Well now you can check to see what the Troop has in TroopMaster (the program we use to track advancement, personal information and send out emails). You will only be able to see the information of scouts and/or adults assigned to you by the administrator once you create an account. Please keep your personal information up to date and let a leader know if there is any discrepancy in the information we have so it can be updated. You can also login from a web enabled cell phone.

To create a user name and password for TroopMaster Web go to the following webpage and log in using the following:

<http://www.troopmasterweb.com/troop51bsa>

UserID: Parents

Password: troop51

The screenshot shows a web browser window with the URL <https://www.troopmasterweb.com/troop51bsa>. The page title is "TroopMaster Web" and the main heading is "Troop 51". The login form includes fields for "UserID:" (containing "Parents") and "Password:" (containing "troop51"). Below the form are three buttons: "Login", "Mobile Login", and "Administrator Functions". A scenic image of a river with a boat and people is displayed. Below the image, it says "Last sync date is 04/19/11". At the bottom, there is a link: "Click here to see a list of Updates/New features" and the website URL "www.troopmaster.com".

Fill in the UserID, password, name and email address then click on the “create Account” button.

Congratulations you have now setup your own UserID and Password for TroopMaster Web.

You should click the print button in your browser to print these settings.

Click Close to return to the Login page and you will be able to login with the new UserID and Password that you have created on this page.

Now go back to the login screen and try your new account.

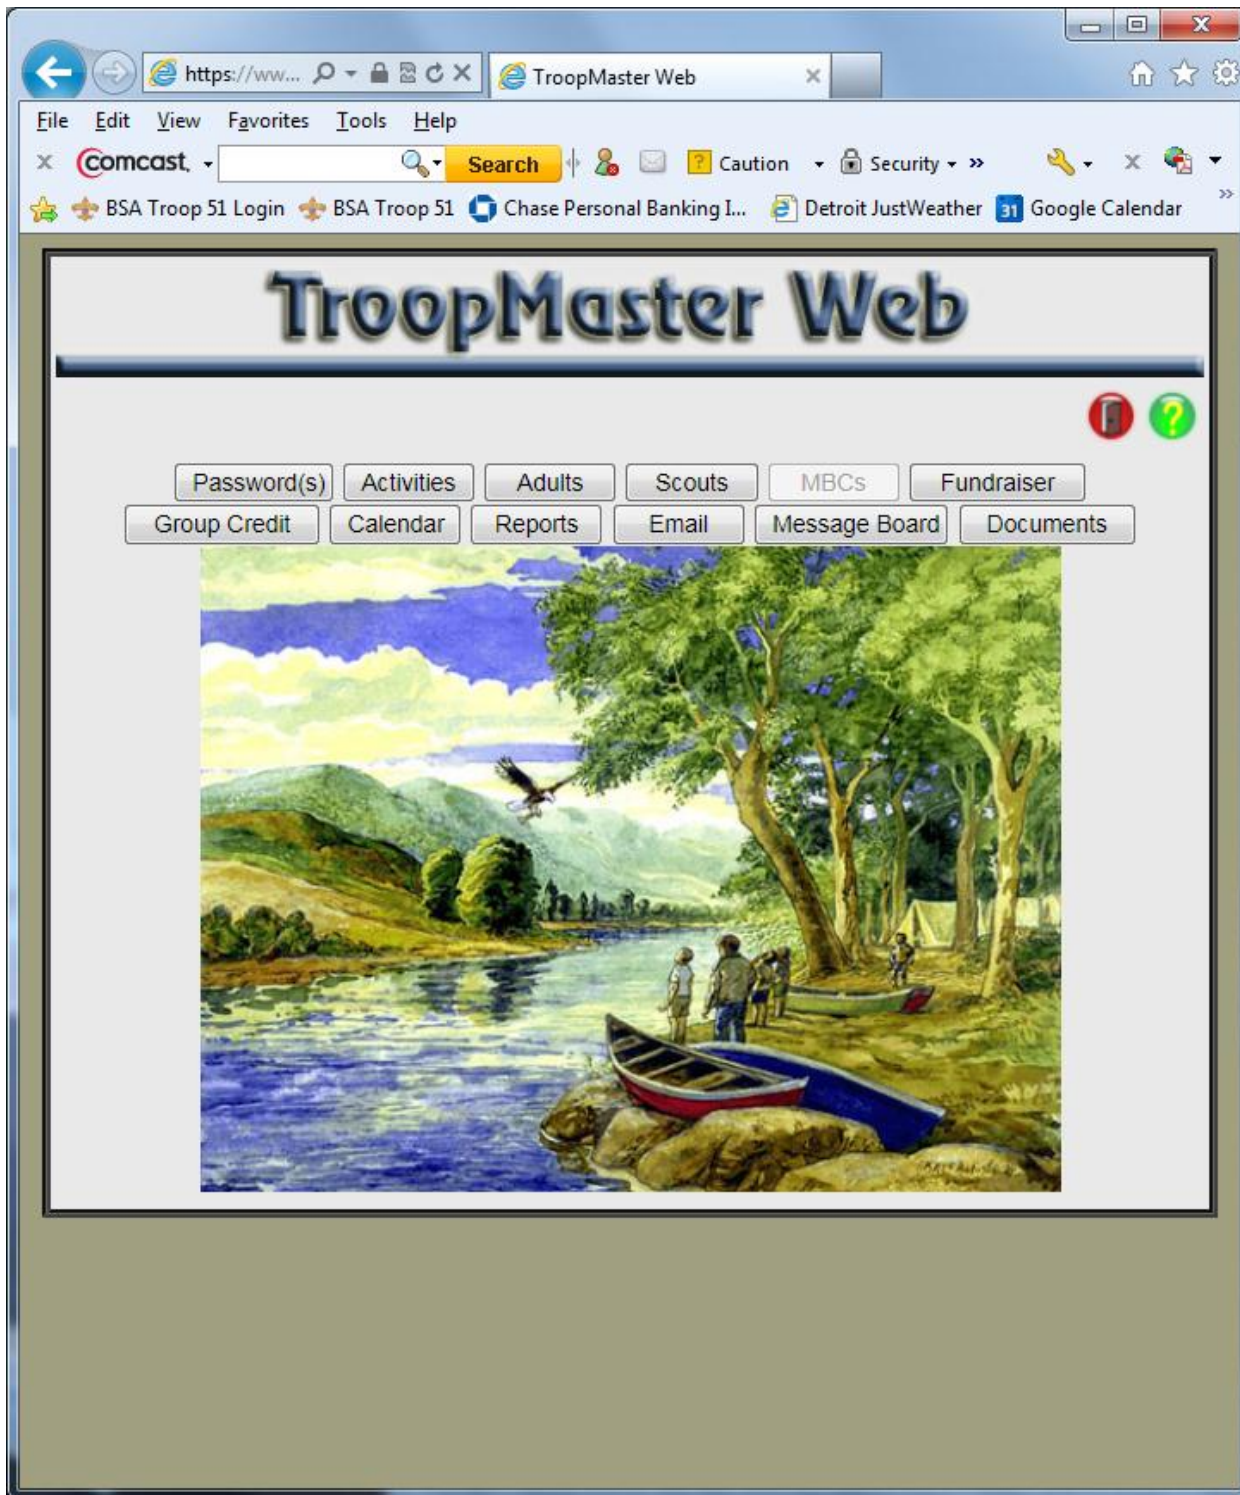

The image shows a screenshot of a web browser window displaying the TroopMaster Web login page. The browser's address bar shows the URL "https://www... TroopMaster Web". The browser's menu bar includes "File", "Edit", "View", "Favorites", "Tools", and "Help". The browser's toolbar shows the Comcast logo, a search bar, and various security and utility icons. The browser's address bar also displays several bookmarks: "BSA Troop 51 Login", "BSA Troop 51", "Chase Personal Banking I...", "Detroit JustWeather", and "Google Calendar".

The main content area of the page features the "TroopMaster Web" logo at the top. Below the logo, the text "Troop 51" is displayed. The login form includes a "UserID:" field with the value "Parent1" and a "Password:" field with masked characters. Below the form are three buttons: "Login", "Mobile Login", and "Administrator Functions".

Below the login form is a scenic image of a river with a canoe and people. Below the image, the text "Last sync date is 04/19/11" is displayed. Below this text is a link: "Click here to see a list of Updates/New features". At the bottom of the page is the URL "www.troopmaster.com".

You should see the following:

After you create your account the Administrator will assign the Adults and Scouts that you will have access to. You will be able to update your personal information and only read the other information.

Password(s) - You can change your name, password and email address.

Activities – Check to make sure you were given credit for attending an activity.

Adults – Check and change (if registered with Troop) your personal information.

Scouts – Checks and update personal information for Scout and Parents. Check your Advancement, Awards, Merit Badges, Leadership, Training and OA information.

MBC's – No Access

Fundraiser – In future you will be able to check balance of your Troop account.

Group Credit – You cannot access any reports here.

Calendar – Calendar of Events in Activities Tab.

Reports – Generate Reports about advancement

Message Board – Post a message to a person, group or the Troop.

Documents – Access to Documents uploaded into TroopMaster Web.
